

MARCH PRE-K/TK NEWSLETTER

MARCH !!! Time is flying by. We look forward to warmer weather and more green. We have a lot of exciting activities planned for this month. March topics will include community helpers, police, fire safety, and St. Patrick's Day. If there are any parents who would like to come and give a brief talk about their jobs, please let me know. We will have a visit from a police officer, who will come in to speak with the children.

We will be working on getting ready for our spring play this month, so please try to get your child to school each day. You will be getting an invitation to this special production. It will take place on March 23 at 11:00. We all work really hard to pull this together so the kids have fun and feel a sense of pride. Please mark your calendars!

Thank you to all who participated in our fundraiser. Delivery is scheduled for this month. Our author this month is Dr. Seuss, and the artist is Monet.

Just a reminder – please be sure not to send in peanut containing foods for snack and stay 'n play. Also, if possible, please check the ingredients of foods sent in for snack to make sure that they are not processed in a plant that handles peanuts. Thanks so much for your help. The children are growing and changing as the year continues. It is a pleasure to be part of that growth. If you have any questions about your child's progress we are always willing to talk with you. Mrs. Lloyd will be talking to you about the Gesell results as testing is completed.
