

**SKILL BUILDER'S CLUB**

In order to meet the needs of those children who will be attending a full day Kindergarten program next year, this program is for our Pre-k and T-k students. This will be an enrichment program that will explore the concepts that are most important for Kindergarten readiness. The program will meet on Wednesdays from 1-3:00. You can sign up for the whole year or just sign up for the months that you are interested in the topic. The cost will be \$70 per month for those not already signed up for extended day and will include the stay 'n play time for lunch.
