

MARCH NEWSLETTER

MARCH !!! Time is flying by. We look forward to warmer weather and more green. We have a lot of exciting activities planned for this month. March topics will include our world, community helpers, solar system for PK/TK; nursery rhymes, community helpers for Nursery; and St. Patrick's Day for all. We have scheduled visits from the fire department and the police as part of our community helpers theme. The children always enjoy these visits.

We receive our chicken eggs on March 1, and they should be hatching about the 22nd of this month. We will be anxiously counting down the days until we have chicks!

The PK teachers will be conferencing with parents this month and the Nursery teachers will be sending out student evaluations at the end of the month.

Our PK/TK spring play will take place on March 31. You will be receiving an invitation from your child. We plan to use the large FLC building for this event, so we must have a "field trip" permission slip filled out for each child. When you receive this, please sign it and turn it in as soon as possible as we will begin practicing there at the beginning of March. Your child will be assigned a part and information about that will be sent home in March.

Remember that our one and only fund raiser started on Feb. 13 and will end on March 13. Please make sure to get your orders in by then. Thank you so much for your help with this!

So, take a deep breath, look for the sun, and let's move into spring with hope.

EASTER BREAK IS APRIL 7 - APRIL 14
