

## **OCTOBER NEWSLETTER**

Happy Fall! For the time being we will do one monthly newsletter for the whole school. As you may imagine, all of the classes will be learning about autumn, Halloween, and pumpkins this month. The Nursery classes will also delve into patterns and fall colors. The Pre-k and TK classes will be starting their letter of the week activities this month and also talking about apples and woodland animals. Our author this month is James Dean (Pete the Cat books). He has written many children's books that are funny and engaging. Check out some of them online or at the library. Our artist this month is Edvard Munch, specifically talking about his unique style of painting.

**We are scheduled to have our photographer come to do school pictures on:**

**October 11 – for Nursery classes and TK classes**

**October 12 – for PK classes and TOTS class**

We will be doing a class photo as well as individuals. After pictures are completed, you will get an email from the photographer that will explain the ordering process. I will need to supply the photographer with your email address in order for this to happen. If you prefer to opt out of photos, please let me know.

Remember that as per the calendar given to you this summer, there will be **no school on October 7**. This will be an in-service opportunity for our staff.

We are hoping to be able to do field trips this month. The PK and TK classes are scheduled for a trip to Johnson's Farm on 10/5. Our tour will start at 9:30am and end about 11:30am. The Nursery classes are scheduled for a trip to Indian Acres Tree Farm on 10/18. Our program will start at 9:30am and end about 11:30am.

Halloween Parades will be 10/27 for Nursery and 10/28 for PK/TK. More details to follow.
